

Accommodations:

Between November and April we are able to accommodate groups of 15 or less. These groups will be housed in our Christian Education Building. This building does have central heat & air but note that in the summer it is still very warm in our building.

Between May and October we can accommodate groups of 30 or more. These groups are housed in our Social Hall. This building also has central heat and air that keeps occupants comfortable throughout the year.

Showers are available on site.

The kitchen is shared space and groups have full access to all utensils and cookware. Groups must provide their own food, ingredients, drinks, napkins, etc.

Parking – We have a very small parking lot that can only accommodate 6 vehicles. On Sundays this parking lot is reserved for handicapped vehicles only. Street parking passes are available for Sundays only.

If you have any questions about the accommodations, please contact the Wellspring Coordinator. Billi Amos Charron BAmosCharron@oldfirstucc.org (215) 922-4566
