

## Church Space Rules

Welcome to Old First, the 4th oldest congregation in Philadelphia! We believe that our church should be in use throughout the week and not solely used for worship on Sundays. However, we want you to keep in mind that our buildings are used all the time and we do have basic rules to keep the space welcoming to everyone. The spaces you are using are shared by church members and community groups and it is to respect everyone who utilizes the church space.
