Please list what the goals of your group or ministry were for 2021.

- ❖ Coordinate hospitality teams, working with team captains to understand the role of the teams and see that all teams have enough members.
- ❖ Organize congregational meals and times to get together to build community.
- ❖ Support Old First community members during different milestones and difficulties in their lives.

Were you able to achieve your goals for 2021? Please be as specific as possible of your successes and failures.

No, most of our goals were not possible to achieve due to restraints of the COVID-19 pandemic.

Where is your group or ministry area stuck? What is your group or ministry area pondering?

We need to regroup. Personal issues among members have also limited our effectiveness.

What do you hope to accomplish in the coming 2022 year?

- ❖ We plan to continue to organize the previously planned events as possible with COVID-19 restrictions.
- ❖ Hopefully, we will be able to revisit our goals and find ways to achieve them.

What are the ways that the church can support your team?

People excited about helping build the community life of Old First could join the team.

Willing hands are always needed. Think of ways you would appreciate building community at Old First and share your ideas with the team. Pray for the team members and the community building efforts at Old First.
