Submitted by: Megan Grimm

List of the members currently serving on your ministry or leadership team:

Beth Walker, Bob Robinson, Jackie Williams, Nancy Donohue, Kathy Sykes, Megan Grimm, Devan Jordan, Michael Roca-Caine

As you look at the goals you had planned for 2023, what were you able to accomplish? Please be as specific as possible.

We broke ground! The project is funded, hosted a groundbreaking with the mayor in attendance, and we moved the Fox building.

How has your ministry's or leadership team's work and goals shifted throughout 2023 ?

We have had some delays in the project timeline which has caused workers to be working overtime, but we are confident we can still meet our deadlines in 2024.

Where is your group or ministry area stuck? Do you need help in discerning who to ask to join your group or to get more involved?

We are on a roll.

What has changed since returning to in-person/ hybrid ministry? How does your group imagine continuing to bridge the in-person/ hybrid gulf in 2024?

We are currently meeting on zoom, which has provided extra flexibility for the team.

What do you hope to accomplish in 2024?

Build Old First House

What are the ways that the church can support your team in achieving your goals for the upcoming year?

Keep cheering for the teams working on it (administratively and on the ground) and praying for the project.
